

This summer, rather than offering a Splash-n-Ride pass for the two summer months, ETS will be offering a Youth Monthly Pass for July and August. Edmonton Transit has asked if schools would considering putting the following information in their newsletter about the **ETS Youth Passes for July and August**. Thank you.

Information from ETS re. Youth Pass for July and August

The ETS Youth Monthly Pass sold to students is being offered to the public by ETS during the summer months of July and August. The Youth Monthly Pass is valid for ages 6 to 17 years, and can be purchased for \$57.50 at ETS Customer Services below Churchill Square, or conveniently ordered online using the ETS Online Store at www.takeETS.com. Splash-n-Ride will not be offered this summer; the Youth Monthly Pass allows families to purchase transit travel as needed, rather than being required to purchase a pass for the entire summer
